CERTIFICATE OF Origin, Quality & Conformity

This certificate indicates that products mentioned in the appendix have been manufactured by GENT. This certifies that the products have been inspected and tested in accordance with GENT procedures or our suppliers and meet all LPCB, EN, CE requirements for which they have been listed. These products also conform to relevant GENT Engineering controlled drawings and specifications, in accordance with ISO 9001.

This is also to confirm that the devices (detectors/MCP/Sounder strobe/Interface units) in the appendix are manufactured only in Romania. There is no other production line in UK for these devices.
